

## **Non-Taxable Estates**

### **a) Grant only Applications**

With your provision to us of financial and other details (which we will request) and with no complicating factors, our fixed cost of £780 plus VAT will apply.

### **b) Full Administration**

Costs very much depend on the nature and number of assets and the number of beneficiaries. The firm's standard charge rates of £295 plus VAT will apply to the work carried out with no mark-up/percentage charge. The typical cost of administering an estate with a small number of accounts/investments would be £1,600 - £2,800 plus VAT. This does not include dealing with the transfer or sale of property or shares.

## **Taxable Estates**

All estates are different and with the provision of a copy Will, summary of assets and approximate values of property, savings and investments, we will be able to provide an estimate based on our firms standard charge rates of £295 plus VAT per hour with no mark-up/percentage charge.

## **Disbursements**

- Probate Court fee (with 3 office copies) - £348
- Bankruptcy searches - £6 plus VAT at the rate of 20% per person
- London Gazette advert for unknown creditors - £96.00 + VAT at the rate of 20%
- Post for creditors and local paper - approximately £102.33 + VAT at the rate of 20%

## **Timescale**

We are dependent upon you to provide information to us and to sign and return the requested paperwork but if dealt with promptly and provided the Probate Court processes the application within 2 weeks, we would expect to have obtained a Grant of Probate involving no inheritance tax within 6-8 weeks and if inheritance tax is payable within 4-6 months. If full administration of the estate is required, this is likely to take 4-12 months depending on the nature of the estate.

The work will be carried out by an experienced Solicitor or Legal Executive.
